

The TK Aqua Trek

THE TK AQUA TREK is a week long water based adventure for Scouts 14 and older. Tanah Keeta's Assistant Ranger, Harlan Pierce will be taking the group swimming, snorkeling, kayaking, fishing, and canoeing from Tequesta to the Keys!

The week starts off with a tour of the Blowing Rocks Preserve and includes snorkeling, fishing, and swimming. Then the next day the group heads for the keys and spends the day checking out one of the boats from Fish and Wildlife and then spend some time catching their dinner! Wednesday is for snorkeling and then a meal out at a restaurant before hitting the ocean kayaks on Thursday. Friday the group is back in camp and earning the Loxahatchee Canoe Run Medal!
